TRU TAEKWONDO BLACK BELT TEST

PREPARED AND PRESENTED BY

GRAND MASTER DOUGLAS / MASTER TERRANOVA

CONGRATULATIONS ON THIS MILESTONE!

A NOTE FROM OUR OWNERS:

Celebrating achievement has always been highlighted at TRU Taekwondo. This has been evident for over 10 years when Co-Owners Philip Averett and Grand Master Douglas opened the doors to TRU and it's evident at every milestone, big or little for you, our students and our families.

We see our students every day. Ki-haping for the first time, demonstrating confidence. Sharing a toy with a sibling, demonstrating kindness. Demonstrating discipline and practicing a poomse at home or taking out the trash for the first time without being asked. Saying yes m'am and no m'am, demonstrating respect. Being promoted at work or school because of improved focus. The list goes on and on. We see our students grow every day, and in turn we see them shine.

We are so excited to celebrate this next milestone in your taekwondo journey - your black belt test to show off how much you have grown and *really* shine!

Congratulations on this milestone!
Well Done! We are very excited about your growth and are excited to continue to be.

FAQ'S

THE CEREMONY PART 1

What is the ceremony?

This is the last part of the test. This is where you show off all your taekwondo skills! You will perform all you have learned for your family and friends. You will also be evaluated by a panel of judges at this performance and similarly to the other parts of the test, you must pass this to receive your belt.

Is it possible to fail your performance at the ceremony?

We will make every effort to prepare you. You may be held back until the next ceremony if you are not ready, and we feel that you will not pass. If this is the case, we will have a conversation with you prior to the ceremony date. You may also be held back if you are unable or unwilling to perform to the best of your ability on the day of the ceremony.

When and where is the ceremony?

The ceremony will be held on the date indicated on the front of this package. The test location will be determined at a later date and communicated to you in the seminars.

What happens after you complete the performance at the ceremony?

You will receive your probationary black belt. This belt will signify that you have completed the black belt test and will show others what commitment looks like after reaching a goal. The length of how long you wear this belt is determined by training in class consistently, showing personal growth, and showing leadership on and off the mat. It could be anywhere from a few weeks to a few months to receive your official black belt depending on your personal growth.

FAQ'S

There are a possible 100 points for each of 15 categories. You must finish with a minimum of 1200 points (C average)
You may not fail any category. If you do not score high enough to pass, you may re-test again on the un-passed portions without charge at the next official testing. We do not publicly post scores.

BLACK BELT UNIFORM

When can I wear the black V-neck uniform?

When you are a certified Black Belt you may wear the black V-neck uniform. This means if you are a Black Stripe student testing for First Degree, you may wear it after your testing.

FAQ'S

CERTIFICATION

What makes this test process valid?

In the past we needed the recommendation of 4 to 7 certified Masters from Kukkiwon (the governing body of Taekwondo located in South Korea) to conduct a test. Grand Master Douglas now holds a high enough rank to conduct his own tests recognized by Kukkiwon. As a 'check' system, guest Masters and respected TRU Taekwondo Center Black Belts may be invited to participate in the testing process.

What is Kukkiwon Certificate and I need it?

A Kukkiwon Certificate is optional. While you receive a TRU Taekwondo Center certificate, you have the option to purchase a valid certificate from the World Taekwondo Federation in Korea. With it you will be a registered Black Belt, recognized in every country and accepted by the International Olympic Committee. Price depends on the degree of Black Belt:

1st Degree: \$140

2nd Degree: \$180

3rd Degree: \$240

4th Degree: \$300

Who is certifying my rank?

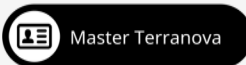

Individual martial arts schools are only able to test students (regardless of what they may claim) to Black Stripe. TRU Taekwondo Center has the capability to provide qualified TRU students with World Taekwondo Federation from Kukkiwon which are recognized by the International Olympic Committee. Your certification will be recognized around the world and by every organization. Kukkiwon has strict guidelines for certification. TRU Taekwondo Center meets these guidelines and Master Douglas is qualified to conduct the testing process.
